MEDIOINAL.

QURES OTHERS

MRS. TAPPAN. of Reynolds, Neb., writea: For about two years I was a constant sufferer from diseases peculiar to my sex. I had to be carried from my bed, had shorrible dreams, sinking sensations, was very nervous and had little or no appetite. In short, my whole body was racked with pain. I had frequent attacks of hysteria, and was completely discouraged for I found no medicine did me any good. At last I determined to try Dr. Pierce's Favorite Prescription. I had taken but two bottles before I felt so bottles before I felt so bottles before I felt so whenever we need a blood-purifier. With use, eruptions of all kinds vanish and skin is rendered clear and soft, almost an infants." Sold everywhere.

RAILROAD FOR VIRGINIA.-Under the heading. "An Important Railroad Enterprise," the Manufacturers' Record, of Baltimore, says:

"The Chesapeake and Western Rail road, which is being constructed across the valley of Virginia, assumes great importance in view of the fact that it now develops that its president is to be J. W. Reinhart, late president of the Atchison, Topeka and Santa Fe road. The coming into the south of a man of such prominence in the railroad world as Mr. Reinhart is but another indication of the concentration of the great business and financial powers of the country in southern development work. Twenty-seven miles of line, the rails for which are now being received, will carry the road across Rocking-ham county, Virginia, from Elkton, on the Norfolk & Western, through Harrisonburg, on the Baltimore & Ohio to Bridgewater. This cuts across the valley of Virginia and opens up one of the finest agricultural regions in Amer-ica and one for which its agricultural productions alone could make profitable such a railroad; but in striking westward toward West Virginia, this road is pointing to the very heart of the timber and coal district of that State by the most direct and shortest line ob-tainable. It is possible for this line to be extended into these coal and timber fields and open up a region of almost infinite freight-creating possibilities; and then by extending eastward reach tidewater at some point on the Chesapeake bay, thus creating a new through line from the Chesapeake to the coal and timber fields of West Vir-

CARRIED THE BIRDS HOME IN THE NEST .- Mr. J. T. Chinn, postmaster at Monteithsville, Stafford county, has a cat, the superior of which has never been known as a destroyer of mice and rats. Like the famous Pied Piper this cat is no respecter of class or condition. Big rats, little rats, lean rats, and fat rats are alike subject to her destroying propensities.

But knowing full well her valuable qualities as a mouser her appreciative owner, however, was not prepared for the remarkable sight her catship brought to his notice a few days ago. She returned home with something in her mouth, which proved to be a bird's nest full of young birds. She caught the nest across the top in her mouth and conveyed it with its contents to her moster while the methan hind mounted.

A LEADER OF PICKPOCKETS .- A dispatch from Madrid says : The arrest of wealthy landowner at Gatafe has led to the discovery that he is the leader of bands of pickpockets whose scope is international. A rich gypsy named Montoya was recently robbed of \$1,600 at the railway station at Aranjuez. The landowner was suspected and his arre t followed.

followed.

The police inquiries show that he is a noted pickpocket, and that under his direction other thieves work in Spain, France and Italy. The prisoner was convicted some years years ago and sentenced to a term in the prison at San Sebastian, whence he escaped. After gaining his liberty he bought a splendid estate, saying that he was a retired merchant. When he was arrested a day or so ago he ordered a carriage and pair, in which he was driven to the jail in Madrid.

A False Diagnosis.

La Grippe is confounded by many persons with a severe attack of catarrh, which in some respects resembles the former. The individ-uals suffer severely with pain about the forehead, eyes and ears, with soreness in throat and stoppage of the nasal passages, and in fact, are incapacitated for work of any kind for days at a time. These are catarrhal suf-ferers. Ely's Cream Balm has been used with the best results in such cases. The remedy will give instant relief.

For Over Fifty Years.

AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success.
